We look forward to collaborating with our new school leaders and giving them opportunities to further develop their leadership skills.

Thank you to our 2020 school leaders, Benjamin Visagie, Olivia Cadiz, Patrick Haluza and Rebecca Heo, for carrying out their roles responsibly and respectfully, setting a wonderful example for students and our new leaders to follow.

Good luck to all of our Year 6 students. We wish you success as you continue your learning journey into high school. Keep working hard and enjoy the many new experiences ahead of you.

Thank you to all of our parents/carers and the school community for their support of students and their understanding of changes to school practices in 2020. We will continue to keep parents/carers informed of further changes to current restrictions at the beginning of the school year in 2021.

On behalf of the staff I would like to wish all of our families and community a safe and restful holiday break. We look forward to seeing students back at school on Friday 29 January 2021.

Kids Ambassador Team

Over the past 2 years, we have been fundraising through the KATS initiative of SchoolAid for World Vision Australia by running fundraisers such as mufti day, movie day and the teacher challenge day. We would like to thank the parents, students, teachers and the community for their generosity and contributing to our cause.

Our fundraising goal was to achieve \$2,000, and due to your generosity, we reached this goal. The money raised, was donated to villages in Africa:

- A well (that provides drinking water as well as toilets) to a waterless village
- 4 fish farms that provide a renewable source of food and income
- 8 seed kits for families in need
- 12 chickens that can provide up to 300 eggs each for families, and
- 5 medical kits that can help save lives in third world countries.

Thank you so much for helping us reach our goal and helping people in need. We wish the new ambassadors every success next year. ***Gabe and Hannah***
