

17 June 2022

Dear Parents/Carers

**K-2 EXCURSION**

Students in K-2 will be learning about living things. They will learn about the different features and basic needs of living things and how these needs can be met. To enrich our students' learning experiences, students will be going on **an excursion to Calmsley Hill City Farm**.

<b>Date:</b>	Monday 8 August 2022 (Term 3)
<b>Time:</b>	Be at school at 8:45am, bus will return by 3:00pm
<b>Travel:</b>	Travel to and from the venue will be by bus
<b>Cost:</b>	\$42.00 per student
<b>What to bring:</b>	Water bottle, recess, lunch, hat and sunscreen packed in a light backpack
<b>What to wear:</b>	School uniform with comfortable shoes

At the farm, the students will have the opportunity to:

- Observe ways in which living things are different and have different needs
- See how plants and animals grow and change
- Learn how animal habitats are built to suit the needs of their inhabitants.
- Meet a range of common and not so common farm animals up close.
- Recognise the source of products: milk a cow, watch the sheep shearing demonstration
- Discover the sights, sounds and smell of farms and how they meet the needs of people.
- Tractor Ride (if available) and lots more.....

Students will be visiting a working farm with animals, lucerne and hay. If your child has allergies and/ or other medical conditions, please indicate this on the permission slip below and speak to your child's class teacher about how this can be managed on the day.

Regards

Deborah We  
Excursion Organiser
